Sandy City Hall - Council Chamber Room #211
10000 Centennial Parkway
Sandy, Utah 84070

AUGUST 2, 2005

Meeting was commenced at approximately 7:05 p.m.

***NOTE:** This hearing will be conducted by a hearing officer, as the Council will be participating in the National Night Out Against Crime activities located throughout Sandy City.

Hearing Officer: Council Office Director Phil Glenn

PUBLIC HEARING:

1. **Street Name Change - 10225 South to Glacier View Drive**
Public Hearing to consider the request of Natalie Hovik who represents the property owners along 10225 South Street between 1985 East to 2505 East and has filed a request with the City Council to change the street name from 10225 South to Glacier View Drive. Salt Lake County has reviewed and approved the proposed name change, subject to City Council action.

DISCUSSION: Hearing Officer, Phillip Glenn, opened the Public Hearing for the proposed Street Name Change for 10225 South to Glacier View Drive. He reported that under State Statute, the hearing had been noticed on four separate dates: June 27th, July 4th, July 11th, July 18th, and posted on June 23rd at the Sandy City Hall, the Sandy Parks & Recreation Building, the Sandy Library, and the Sandy Community College. He noted that State Statute provides for the City Council, who is the Legislative Body of this municipality, to provide a Hearing Officer to hear such issues under certain circumstances.

Mr. Glenn noted that he would conduct the hearing, but that no decision would be rendered at this time. He informed Mrs. Hovik, who was the only participant present at the public hearing, that the City Council would render their decision at their City Council Meeting, scheduled for Tuesday, August 16, 2005.

Mr. Glenn reported that Natalie Hovik, representing property owners along 10225 South Street between 1985 East to 2505 East, filed a request with the City Council to change the street name from 10225 South to Glacier View Drive.

Mr. Glenn opened the Public Hearing.

Natalie Hovik, 2479 East 10225 South Street, applicant, reported that she had discussed this issue with the residents living along 10225 South, and also City representatives to determine what needed to be done in order to make a name change to their street.

Part of the reason behind the street name change is to improve safety and mail delivery. The residents are concerned that 911 responders could be slowed down by the present address. The residents believe that the City should bear the cost of replacing the ten street signs that would be effected by the street name change. A petition from the residents was signed and presented to the City Recorder for the street name change.

Mr. Glenn noted that a letter sent from Salt Lake County Auditor's Office to Brian McQuistion, City Planner, verified that the name requested [Glacier View Drive] had been found to be free of duplication with other names in Salt Lake County.

Since there were no further comments, Mr. Glenn closed the Public Hearing.

Mr. Glenn advised Mrs. Hovik that he would forward a favorable recommendation to the City Council to approve the Street Name Change.

At approximately 7:13 p.m., the hearing was closed.

The content of the minutes is not intended, nor are they submitted, as a verbatim transcription of the meeting. These minutes are a brief overview of what occurred at the meeting.
